

TELL US WHAT YOU THINK

The Algarkirk Project Group has planned the event today to update you on the plans to repair the church building, restore the Victorian stained glass windows and decorative scheme, and adapt it for additional uses including the delivery of heritage skills courses. You can find out more information about the future design of the building and planned activities and services in displays around the church. We would like to know what you think about these plans and would be grateful if you could take the time to complete this card.

PROPOSED LAYOUT

What do you like about the proposed layout?

What would you change (if anything)?

DESIGN APPROACH

What do you like about the designs?

What would you change (if anything)?

PROPOSED ACTIVITIES AND SERVICES

St Peter and St Paul's will remain as an active place of worship. The project will also upgrade the facilities so that the building can accommodate a wide range of community activities and events. Following previous consultation, we are proposing the following activities and services. Please indicate which of these you are likely to use: (Please tick as many as appropriate)

- Café
- Library / book swap
- Heritage skills courses e.g. stained glass, carpentry, masonry and lime mortar workshops
- Bell ringing centre
- Local/family history centre
- Arts programme (craft consortium, coffee and craft mornings)
- Concerts and performances and other events

There is still an opportunity to put forward any new ideas based on your interests/needs. Please give us your suggestions:

To ensure the church remains open, well maintained and a community asset in the future, some activities will be provided at a small charge. We are interested in your view on this part of the business plan.

We are interested to know if you have any concerns about the project in general:

YOUR DETAILS

To help us to record how far you have travelled today please provide your postcode:

If you would like further information about the project please complete the section below:

- I am interested in finding out more about volunteering with the project
- Please add me to the mailing list
